KUGOWN - Operational
Transmittal of Materials for "32" Campaign

Attached hereto are eight cans of Day-Glo Paint, a fluorescent paint, six brushes to apply the Day-Glo, and approximately two dozen crayons. These materials are to be used in connection with the "32" campaign. In order to get the full benefit of the fluorescent quality of the paint, it is suggested that it be used only on light-colored or white surfaces: on dark surfaces it appears like any other paint.
